

8th International CCS Workshop

May 5th, 2023

18th International CLL Workshop

May 5-6th, 2023

Update on Biology and Therapy of Chronic Lymphocytic Leukemia

The Cancer Cluster Salzburg (CCS) meeting will be held jointly with our annual workshop on chronic lymphocytic leukemia "Update on Biology and Therapy of Chronic Lymphocytic Leukemia (CLL)" and provides a stimulating forum to share and discuss exciting and novel data. Both workshops will be held on **May 5th – May 6nd 2023** as a virtual online Meeting. The conference will provide an update on the most recent insights into basic and clinical aspects of cancer.

We are confident that this workshop with a very ambitious scientific program will be most memorable to you.
